Chess School of Aleksander Goloshchapov

About the School

- Located in Kharkiv, Ukraine
- 1-10 employees
- Focus on developing chess champions
- Online training platform at chess.coach

School Mission

"Develop champions and grandmasters!"

Challenge

Owner had been focusing on **chess training** rather than marketing for **18 years**, leading to outdated website content and insufficient lead generation

Aleksander Goloshchapov

Owner & Chess Coach

-  **18 years** of chess coaching experience
-  Targeting expansion in Indian market
-  Specialized in advanced chess courses

Challenge/Problem Statement

Issues faced by Chess School of Aleksander Goloshchapov

CHALLENGE 01

Outdated Website Content

Website had outdated content and wasn't generating enough leads

↘ **Poor conversion rates**

CHALLENGE 02

Inconsistent Marketing

Previous marketing efforts were random and inconsistent without a clear strategy

↘ **Wasted resources**

CHALLENGE 03

Unclear Brand Positioning

Difficulty in articulating mission and values to better position the chess school in the market

↘ **Weak brand identity**

Core Issue

After **18 years** focusing solely on chess training, the owner lacked the **digital marketing expertise** needed to grow the school's online presence and attract new students

Solution
